---

**Cost:** **There is NO fee for your family.** The Pack will cover the cost of camp registration and meals. RSVP is necessary. You provide transportation and the necessary camping gear for your family.

---

## General Information:

Located in Clay and Cleburne Counties, Cheaha State Park is the pinnacle of natural beauty and awe in Alabama. Surrounded by the Talladega National Forest, this foothill of the Appalachian Mountains holds the reputation of the highest point in Alabama. Standing 2,407 ft. above sea level, it is no wonder why the local Creek Indians named this place "Chaha," meaning high place.

We will be camping at a "Semi-Primitive" group campsite in Cheaha State Park. The site has water, a picnic table and there is access to bathrooms. There is no electricity directly at the site. When you enter the park, bear right on Bunker Loop and the campground will be on the left, before you reach any other camping sites. There is a nice flat area where we will camp.

The Pack will provide meals for Friday dinner; Saturday breakfast, lunch, and dinner; and Sunday breakfast. There will be some snacks provided by the Pack as well, but it wouldn't be a bad idea to bring some of your own.

Activities available at Cheaha State Park are hiking, fishing, swimming (pool or lake), boating, and general camp activities. There will be no pre-planned scheduled events for the pack. Instead, we will decide what to do at the state park when there. Participation in many of the recreation opportunities that Cheaha has to offer will require direct parental supervision.

Cheaha State Park is an absolutely beautiful place with extraordinary views and natural resources. Hopefully it will be a little cooler upon the mountaintop, which makes for good sleeping. Be sure to bring a camera so you can capture the beauty of the outdoors.

---

**RSVP to:**  
**Clyde Wikle ([outings@pack29auburn.com](mailto:outings@pack29auburn.com));**  
**No Later Than**  
**Monday, July 16, 2012**
